Thank You to Our Partners

This project was financed in part by a grant from the Community Conservation Partnerships Program, Environmental Stewardship Fund, under the administration of the Pennsylvania Department of Conservation and Natural Resources, Bureau of Recreation and Conservation. To learn more about their work, visit dcnr.pa.gov. The project was also funded through a grant from the Colcom Foundation, via the Kiskiminetas Watershed Association. The Kiski-Conemaugh Water Trail is an key component of the Pittsburgh-to-Harrisburg Main Line Canal Greenway™, a 320-mile corridor of heritage sites and hub communities linked by land and water trails. For more information and river trail maps, scan the QR Code.

Visit Vandergrift and experience the different look and feel of this Frederick Law Olmsted model industrial town. Vandergrift founder George G. McMurty wanted to create an industrial community that would be “something better than the best” and, in so doing, created the first worker-owned community in America.

East Vandergrift's Small Town, Big Heart, boasts a rich history and a tight-knit community spirit. From its days as “Morning Sun” to its incorporation as the Borough of East Vandergrift, this area has seen growth, challenges, and resilience.
